Re: Application of CenturyTel Broadband Services, LLC (“CTBS”) for a Certificate of Public Convenience and Necessity to Provide Competing Local Exchange, Exchange Access and Interexchange Telecommunications Services in the State of South Carolina, and for Alternative Regulation and Flexible Regulation)

PETITION TO INTERVENE

1. SCTC is a coalition of local exchange telephone companies organized and doing business under the laws of the State of South Carolina. SCTC's members are telephone companies or telephone cooperatives subject to the jurisdiction of this Commission. A list of companies on whose behalf the SCTC is intervening in this matter is attached hereto as "Exhibit A."

3. SCTC's individual member companies provide local exchange telephone service within their respective geographic service areas. SCTC's position in this docket is that statewide

certification of new entrant local exchange telecommunications service providers is not appropriate and is not in the public interest. The Application, as currently drafted, would potentially impact each of the SCTC member companies and, therefore, the SCTC has an interest in this proceeding.

4. Correspondence and communications to SCTC with respect to this proceeding should be directed to the undersigned counsel.

WHEREFORE, the South Carolina Telephone Coalition respectfully requests that this honorable Commission permit its intervention in this proceeding as its interests might appear.

Respectfully submitted,
